

System Sensor Europe Received New Order Estimated Lead Times Beginning Week of September 19th 2022

September 2022

Due to increased demand and a temporary component shortage, we are currently experiencing production delays and longer lead times. This is a fluid situation so please continue to check our estimated lead times for new orders which are updated on a weekly basis. We appreciate your patience and we assure you that we are doing everything we can to serve you as quickly as possible.
