

## System Sensor Europe Received New Order Estimated Lead Times Beginning Week of June 5<sup>th</sup> 2023

June 2023

Due to increased demand and a temporary component shortage, we are currently experiencing production delays and longer lead times. This is a fluid situation so please continue to check our estimated lead times for new orders which are updated regularly. We appreciate your patience and we assure you that we are doing everything we can to serve you as quickly as possible.
