

FAAST LT AP CLIP Addressable EOL Notice

December 2025

As part of our ongoing Advanced Detection portfolio management and efforts to streamline our offerings we have decided to discontinue the FAAST LT AP CLIP Addressable product line. Replacement products are scheduled to be announced in Q1 2026.

This allows us to remain focused on serving our customers with our world leading ASD offerings and delivering new solutions and technologies to the market.

1. Affected Products

The impacted products are shown in the tables below per brand.

Discontinued Products	Description
FL2011EI-HS	Loop Based Single Channel Aspiration Unit

MI-FL2022EI-HS	FAAST LT Dual Channel Morley Loop

2. Replacement Products

The announcement of new products replacing the discontinued FAAST LT AP CLIP Addressable line will be in Q1 2026.

3. Effective Date

Last Time Buy (LTB) orders shall be placed by 31st March 2026 and last shipment date will be 30th April 2026.

4. Spares, Repairs and Upgrades

Following cease of supply there will be a further 2-year supply of spares subject to component availability. Product documentation (e.g. Product Guide/User Manual) will be available through the website.

5. Product Warranty

Standard product warranty will be honoured as per the applicable company policy for the relevant product line in one of the two ways below:

- A product failing within the standard warranty period will be repaired or replaced with the same or comparable product having the balance of the original warranty period.
- Should a product fail within the warranty period and not be repairable/replaceable then we will refund the full purchase price or issue a credit note as agreed with the customer.

6. Contact

Should you have any questions regarding this notice, please contact your Regional Sales Manager or Customer Service Representative.
